

Big Removal Sale of High-Grade Pianos

AT THE

Stieff Piano Store

This will be the very best opportunity that has ever been offered in Richmond in the Sale of High-Grade Pianos. We will in the course of a few weeks have possession of our new store, 205 E. Broad Street. Our present wareroom has also been leased. We have considerable improvements to make on our new wareroom, which improvements will have to be made while we are in the building. We did not expect to occupy our new store while the repair work was in progress, but in order to dispose of our present lease, it was impossible to make other arrangements. We have on hand at present a very full and complete stock of fine Pianos, and rather than move these instruments, and have same on hand while our repair work is going on, we will, beginning to-morrow morning at 8 o'clock, commence a **BIG REMOVAL SALE**, which will last a few weeks, during which sale we will make a very liberal discount on any instrument purchased from us, as we propose, if possible, before we move, to sell every Piano on our floor at the present time. And to do this we will make great inducements, in order that you may buy now.

The avenue upon which the Daughters' site is located runs directly to the steel pier, which the United States government is to erect in and close proximity to the Pennsylvania, Maryland and Virginia State buildings.

The Ways and Means Committee in full is composed of Mrs. W. R. McKenney and Mrs. Pryor Jones, of Petersburg; Mrs. Cabell Smith, the chairman, of Rocky Mount; Mrs. Frank Anthony Walker, of Norfolk; and Miss Elvira Jones, of Roanoke, Va.
